Reg. No. 19901REQUEST FOR CORRECTION OF OFFICE ACTION

Commissioner for Patents  
Alexandria, VA 22313-1450

Sir:

The prosecution of this application has been reopened, in response to applicants' request, but the Examiner has not acted on the claims as amended in the amendment filed with the Appeal Brief, filed December 2, 2002. That amendment should have been entered when prosecution was reopened as it had been filed before the reopening and corrected the formal objection to the claims that was again expressed in the reopened prosecution. Please enter this amendment and act on the claims as amended.
